## Domestic Violence Awareness Month

### October is Domestic Violence Awareness Month (DVAM)

which is a time to raise awareness of domestic violence, its impact on families and communities, and continue to create change for the better. Please share with [TA2TA](#) what your organization and/or community is doing to bring awareness next month to this important topic by posting to the awareness page on [ta2ta.org](#). You can share a resource or post ideas and events under "Promote Awareness." The Office on Violence Against Women is looking to uplift your work as well and will be sharing what is posted to this page.
