TA2TA Website Review Volunteers

In order to ensure the TA2TA: The TA Provider Resource Center website is meeting TA provider needs and the information is reaching its targeted audience, this year we will be embarking on a review of the content and functionality of the website. TA2TA would love your input so if you would like to be a part of the process which will consist of conference calls and/or webinars, **please email your interest to info@ta2ta.org by February 15, 2019**. The first call will take place in March.

You say Tracking - We say Tools! Technical Assistance Reporting Toolkit Now Available for TA Providers

VAWA Measuring Effectiveness Initiative at The Muskie School of Public Service and TA2TA have worked together to create tracking tools specifically for TA providers to collectively store information about training, technical assistance, products, and staff time that is required to complete bi-annual OVV progress reports. Please [click here](#) to download the toolkit and view the webinar recording.

Listening Sessions on Sexual Harassment hosted by OVV

OVV plans to host listening sessions on sexual harassment at TA events, continuing the discussion from the all TA provider meeting. If you are interested in attending a session, please email Emma Westrasmus at emma.k.westrasmus@usdoj.gov by February 22, 2019.

TA2TA Provider Directory Updates

OVV and TA2TA would like to remind TA providers to update your project contact information in the TA Provider Directory on TA2TA.org and in GMS. TA2TA and OVV have been encouraging grantees to use this directory to find and contact TA providers who can provide TA and training specific to their grant work.

Roundtable Meeting Assistance through TA2TA

TA2TA is able to assist TA providers who have a desire to host an in-person meeting that is related to their TA project (may or may not be a deliverable), but do not have the funding available to support the meeting. If you are interested in this assistance, please complete the roundtable request form found at ta2ta.org (you must login) and your request will be reviewed by OVV. Please note that the desired meeting date should be about 6 months out from the request in order to allow sufficient time for meeting planning and the conference request process. If you have any questions regarding assistance with roundtable meetings, please contact Brianne Smith, Senior Program Manager, at bsmith@ncjfcj.org.

Reminder to Update Calendar Events

Please remember that once an event or webinar has been approved by OVW to change the status from "pending" to "approved" on the TA2TA calendar on TA2TA.org. If the date or location of your event has changed, please modify your event details. Additionally, all training events, regardless if a conference form is required, need to be included on the calendar. This includes webinars and e-learning.
