Update Your TA2TA Directory Listing

Grantees are being directed to the TA2TA website to find trainings and resources relevant to their OVW projects, so please ensure that your TA Provider Directory listing is updated with current project and contact information. If you received a new award number, you need to add a new project. You can archive old projects so the information no longer shows in the directory, but historical information will be saved and any publications under that award will remain in the TA2TA library.

If you need assistance or have questions, we are happy to help ~ email info@ta2ta.org.

NEW! How Do You Do It? Questions from TA Providers for TA Providers

This new section of the newsletter will ask questions TA2TA has received from TA providers as a way for TA providers to share experiences and processes. We will post the question first and share information gathered from the responses in the following newsletter.

QUESTION: Do you request tax exempt status when hosting meetings at venues nationwide, and if so, what are your experiences with doing so?

If you would like to answer this question, please [click here](#) to respond!

If you have a question you would like your fellow TA providers to provide feedback on, please [contact TA2TA](#).

Roundtable Meeting Assistance through TA2TA

TA2TA is able to assist TA providers who have a desire to host an in-person meeting that is related to their TA project (may or may not be a deliverable), but do not have the funding available to support the meeting. If you are interested in this assistance, please complete the roundtable request form found at ta2ta.org (you must login) and your request will be reviewed by OVW. Please note that the desired meeting date should be about 6 months out from the request in order to allow sufficient time for meeting planning and the conference request process.

If you have any questions regarding assistance with roundtable meetings, please contact Brianne Smith, Senior Program Manager, at bsmith@ncjfcj.org.
