

The primary purpose of the OVW Training and Technical Assistance Initiative is to provide direct technical assistance and training to OVW grantees, partners, sub-grantees, and potential grantees to enhance and support their efforts to successfully implement projects supported by OVW grant funds. This four-part OVW TA Orientation will provide new OVW TA providers and new project staff of existing OVW TA projects with information to support and foster their capacity as TA providers to carry out their projects.

Awareness Pages Launched on TA2TA.org

In 1994 Congress passed the Violence Against Women Act (VAWA) in recognition of the severity of crimes associated with domestic violence, dating violence, sexual assault, and stalking. It is important to bring awareness to these issues all year round and now there is a place on TA2TA.org for information and resources. Please [click here](#) to see the new pages developed that will bring awareness to the VAWA crimes year-round.

Reminder to Update Your Directory Listing on TA2TA.org!

OVW and TA2TA would like to remind TA providers to update your project contact information in the TA Provider Directory on TA2TA.org and in GMS. TA2TA and OVW have been encouraging grantees to use this directory to find and contact TA providers who can provide TA and training specific to their grant work.

This project was supported by Grant No. 2016-TA-AX-K027 awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this website/publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Office on Violence Against Women, U.S. Department of Justice, or the National Council of Juvenile and Family Court Judges.

NCALL can provide as the national resource center on abuse in later life and shares a variety of resources available to assist service providers in providing effective services and supports to older survivors.
