COVID-19 Resources and Information

During the COVID-19 national emergency, we know those who address violence in their communities need resources now more than ever.

TA2TA has created a centralized location of COVID-19 resources to assist OVW TA providers, grantees, and sub-grantees, as you navigate this time of the COVID-19 pandemic. There are resources for specific professions and topics, a list of OVW TA Provider COVID-19 specific webpages, a repository of hotline numbers, and upcoming COVID-19 related webinars, and this website will be continuously updated. **If you have a resource you would like to contribute to the COVID-19 resources, please email info@ta2ta.org**

Other Federally-Funded COVID-19 Webinars

The TA2TA Calendar now includes COVID-19 related webinars funded from other federal offices. The default view for the calendar displays all event types, including these webinars which are labeled "Non-OVW Webinars." The filter for these webinars is on the left side of the menu under "Type."

NEW TA2TA Engagement Forum Section!

As a result of a TA2TA Connect Call where TA providers shared ideas and suggestions, we have launched the TA2TA Engagement Forum for TA providers. It is available on your dashboard once you login to your TA2TA website account. Please use this forum to connect with your fellow TA providers by sharing challenges and opportunities and discussing the impact of the COVID-19 pandemic on you, your organizations and communities, and your work as you continue to support the efforts of OVW grantees and subgrantees to respond to domestic violence, dating violence, sexual assault, and stalking in communities throughout the country.

TA2TA Connect Zoom Calls

Connect with your fellow TA providers to discuss, problem-solve, and share on topic-focused calls.

Thank you to the TA providers that participated on the TA Connect Calls a few weeks ago. It was a great opportunity to connect with each other during this stressful time and share resources and words of advice with each other. As a result of these Connect Calls, TA2TA and OVW will continue to host TA Connect Calls via Zoom on specific topics of importance to the TA providers. Please register and connect with your fellow TA providers to discuss, problem-solve, and share on these topic-focused calls.

**All calls are scheduled at these times:
10am PT / 11am MT / 12pm CT/ 1pm ET**

May 19 Delivering Training and Technical Assistance during COVID-19

During this unprecedented time, how do you deliver training and technical assistance that is meaningful and effective and meets the needs of the grantees you serve?

May 21 Thinking Ahead: Returning to the Office Environment and Staff Wellbeing

What does it look like to reintegrate into an office environment? Has teleworking always been the structure of your organization or will teleworking continue for your organization? Will there be new policies or protocols for your organization as a result of COVID-19?

May 28 Thinking Ahead: In-Person Meetings/Training

When planning future in-person meetings, what does that look like? What does scheduling look like and how are we mindful to not overlap too many meetings among TA providers and OVW grantees? What considerations should be taken in regard to meeting space and audio/visual needs?

Reminder to Update your Directory Listing on TA2TA!

OVW and TA2TA would like to remind TA providers to update your project contact information in the TA Provider Directory on TA2TA.org and in GMS. TA2TA and OVW have been encouraging grantees to use this directory to find and contact TA providers who can provide TA and training specific to their grant work, **including available OVW-funded COVID-19 TA and training.**

TA2TA Website: Send us your feedback!

TA2TA is planning to update the website to improve user functionality and design. A focus group will be held to track users as they complete specific website tasks to demonstrate to TA2TA what is intuitive and what may need to be revised. If you have suggestions or feedback about the TA2TA website (what works well, what you may find difficult, or what you wish were available to you on the website) please email info@ta2ta.org. We would love to hear from you!
