

We wish to especially thank the federal Office on Violence Against Women of the U.S. Department of Justice, which supports our work on behalf of their grantees.

# OUR OVW SERVICES

We are pleased to announce that ASISTA is serving as a national training and technical assistance provider for OVW LAV, STOP, and ELSI grantees and sub-grantees during the 2023-2026 grant period.

## TECHNICAL ASSISTANCE (TA) & INDIVIDUAL CASE INTERVENTION

We provide free comprehensive, cutting-edge technical assistance for attorneys, Department of Justice accredited representatives, and advocates assisting immigrant survivors of gender-based violence. Technical assistance may include case interventions with U.S. Citizenship and Immigration Services ("USCIS"), when appropriate.

Can't find the answer to a legal question? Not sure about strategy? Case stuck at USCIS? Think USCIS made an error? Schedule a time to review your case questions with one of ASISTA's expert attorneys or join our OVW group TA calls. Log into your account [here](#) and follow the instructions.

## ADVOCACY

We develop strategic and coordinated approaches to improve systems that affect immigrant survivors of violence.

Want to get connected with others? Access the [ASISTA Experts listserv](#) to connect with practitioners nationwide who are working with immigrant survivor cases.

## TRAINING

We train attorneys, Department of Justice accredited representatives, and domestic violence and sexual assault advocates on legal issues affecting immigrant survivors of gender-based violence.

Attend our free OVW webinars through the TA2TA platform. Register [here](#) for our upcoming OVW events.

Did you miss a webinar? You can access all our OVW webinar recordings and materials for free [here](#). Don't forget to check weekly as we regularly update our resources.

Does your organization need tailored training and technical assistance? ASISTA may be able to offer free training and technical assistance ("TTA") that is tailored to your organization's unique needs. ASISTA offers the TTA virtually or in-person, depending on your preferences. Please contact Kelly or Maria if you are interested!
