

A Solution to Your Training Challenges: The SAMFE Virtual Practicum

Grace Frances, End Violence Against Women International

Grant Disclaimer

This presentation is supported by Grant No. 15J0VW-22-GK-00265-ICJR awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this program are those of the authors and do not necessarily reflect the views of the U.S. Department of Justice.

Learning Objectives

As a result of this session, participants will be better able to:

- Develop strategies to integrate the SAMFE Virtual Practicum into training programs for nurses and hospital personnel.
- Explore creative ways to use the Practicum, from Sexual Assault Response Team (SART) meetings and skills labs to onboarding new staff and volunteers and conducting community trainings.
- Describe how this resource can help communities deliver better care for survivors from different populations.

Sexual Assault Medical Forensic Exam (SAMFE) Virtual Practicum

Overview

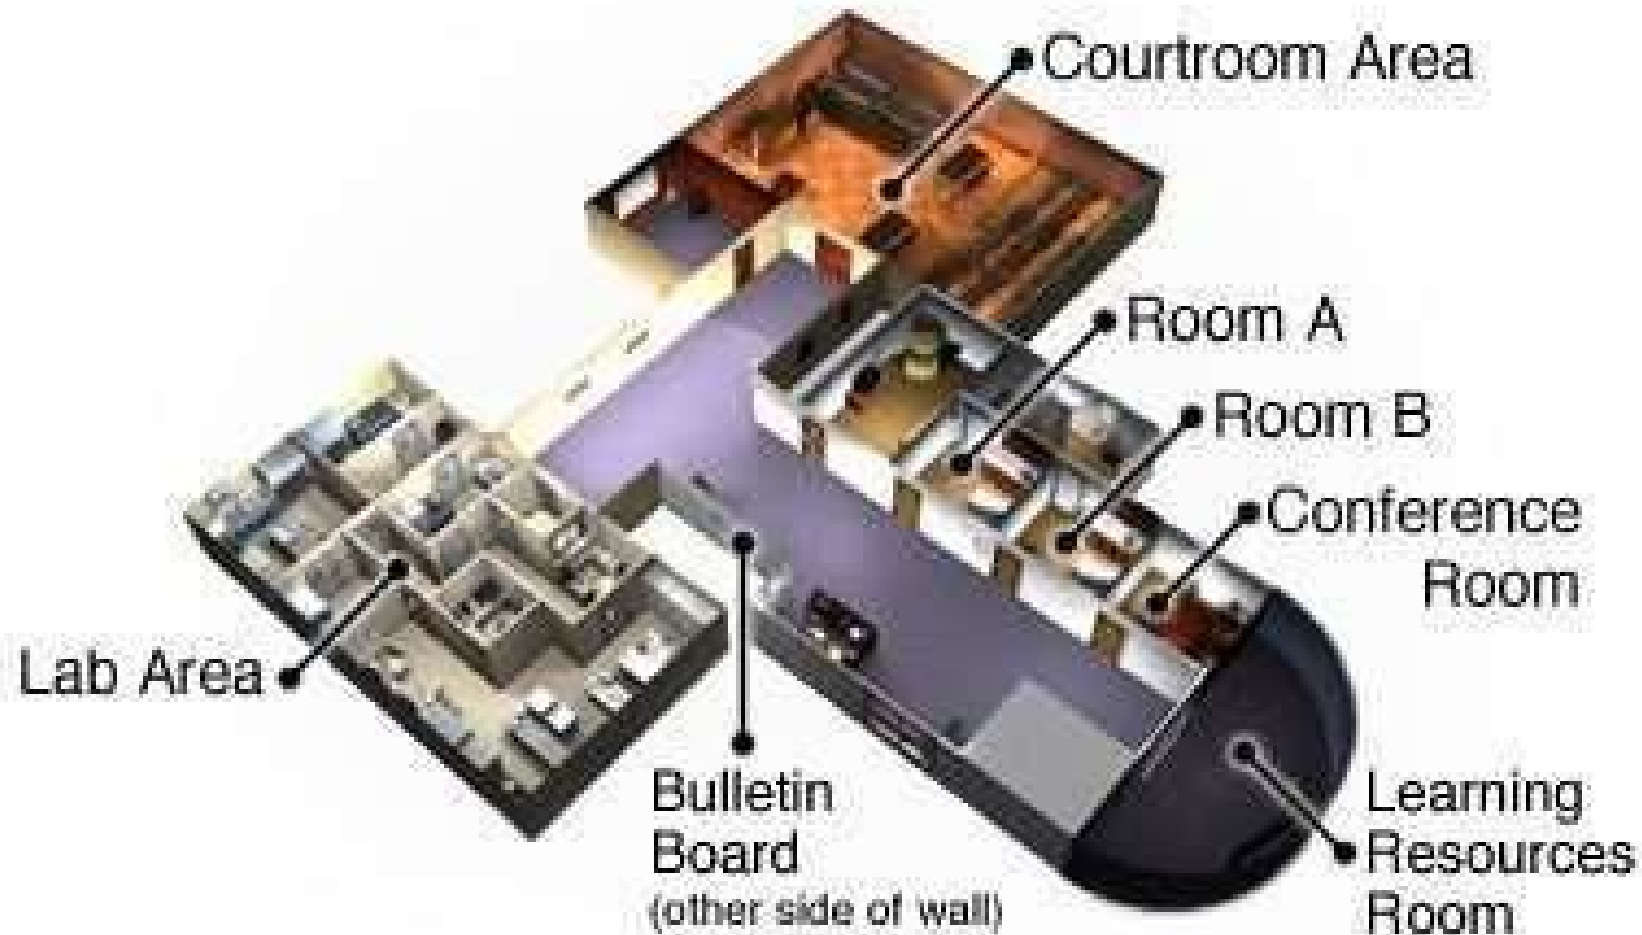

Training Challenges

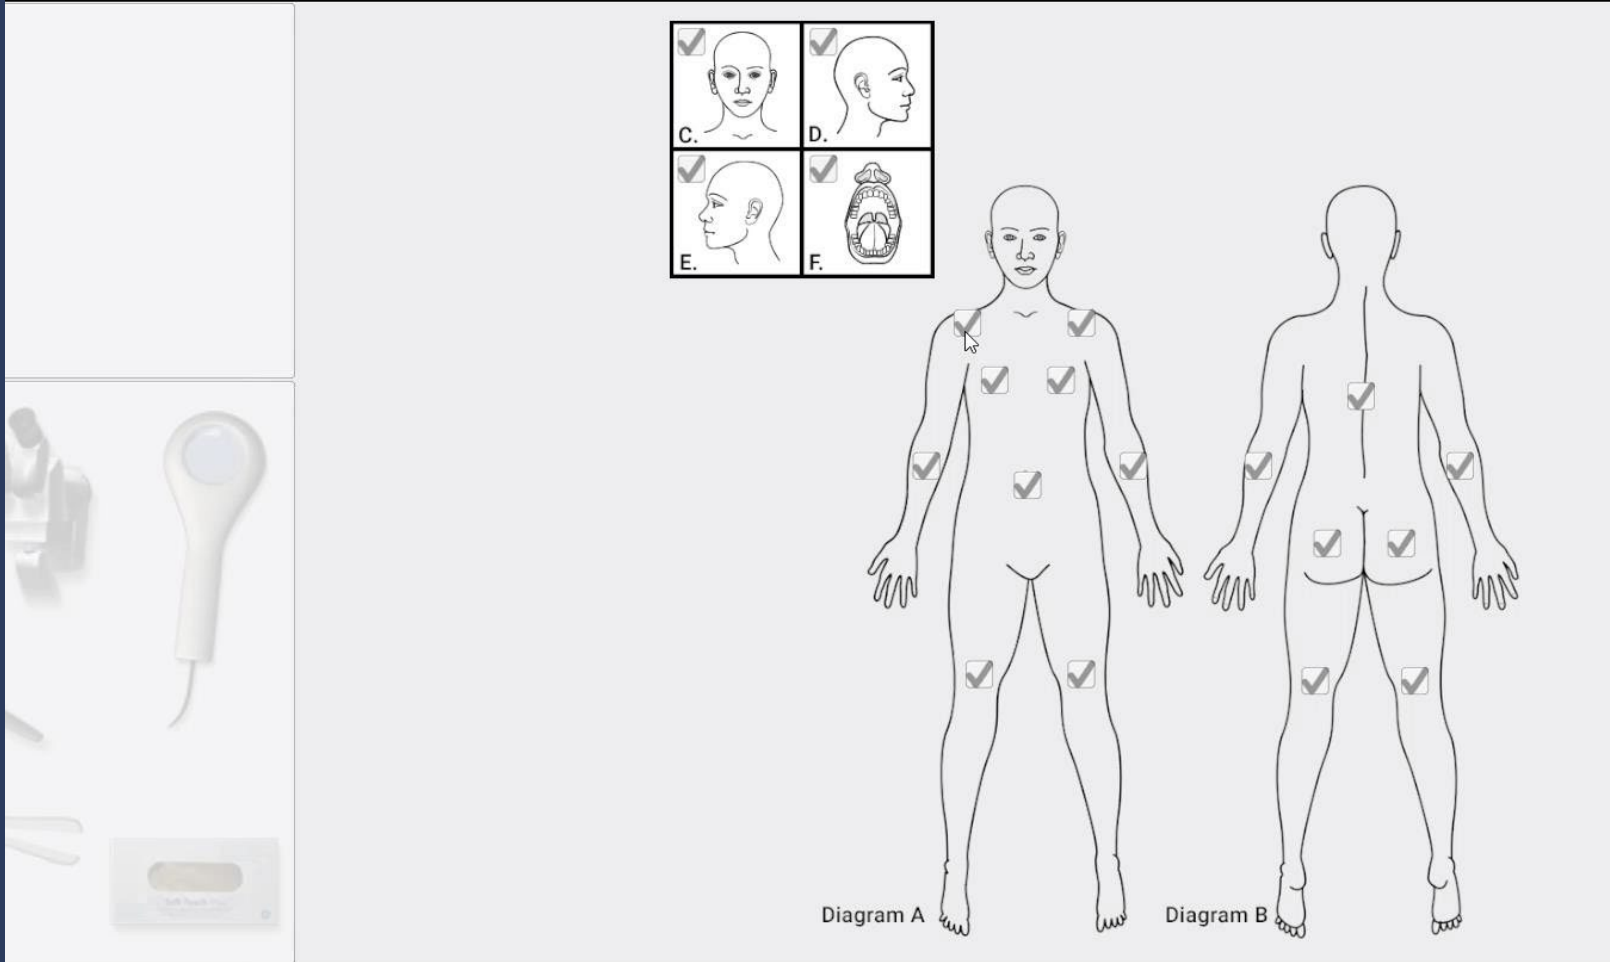

What challenges do you face training SANEs and other medical providers?

What do you wish other disciplines knew about the SAMFE exam?

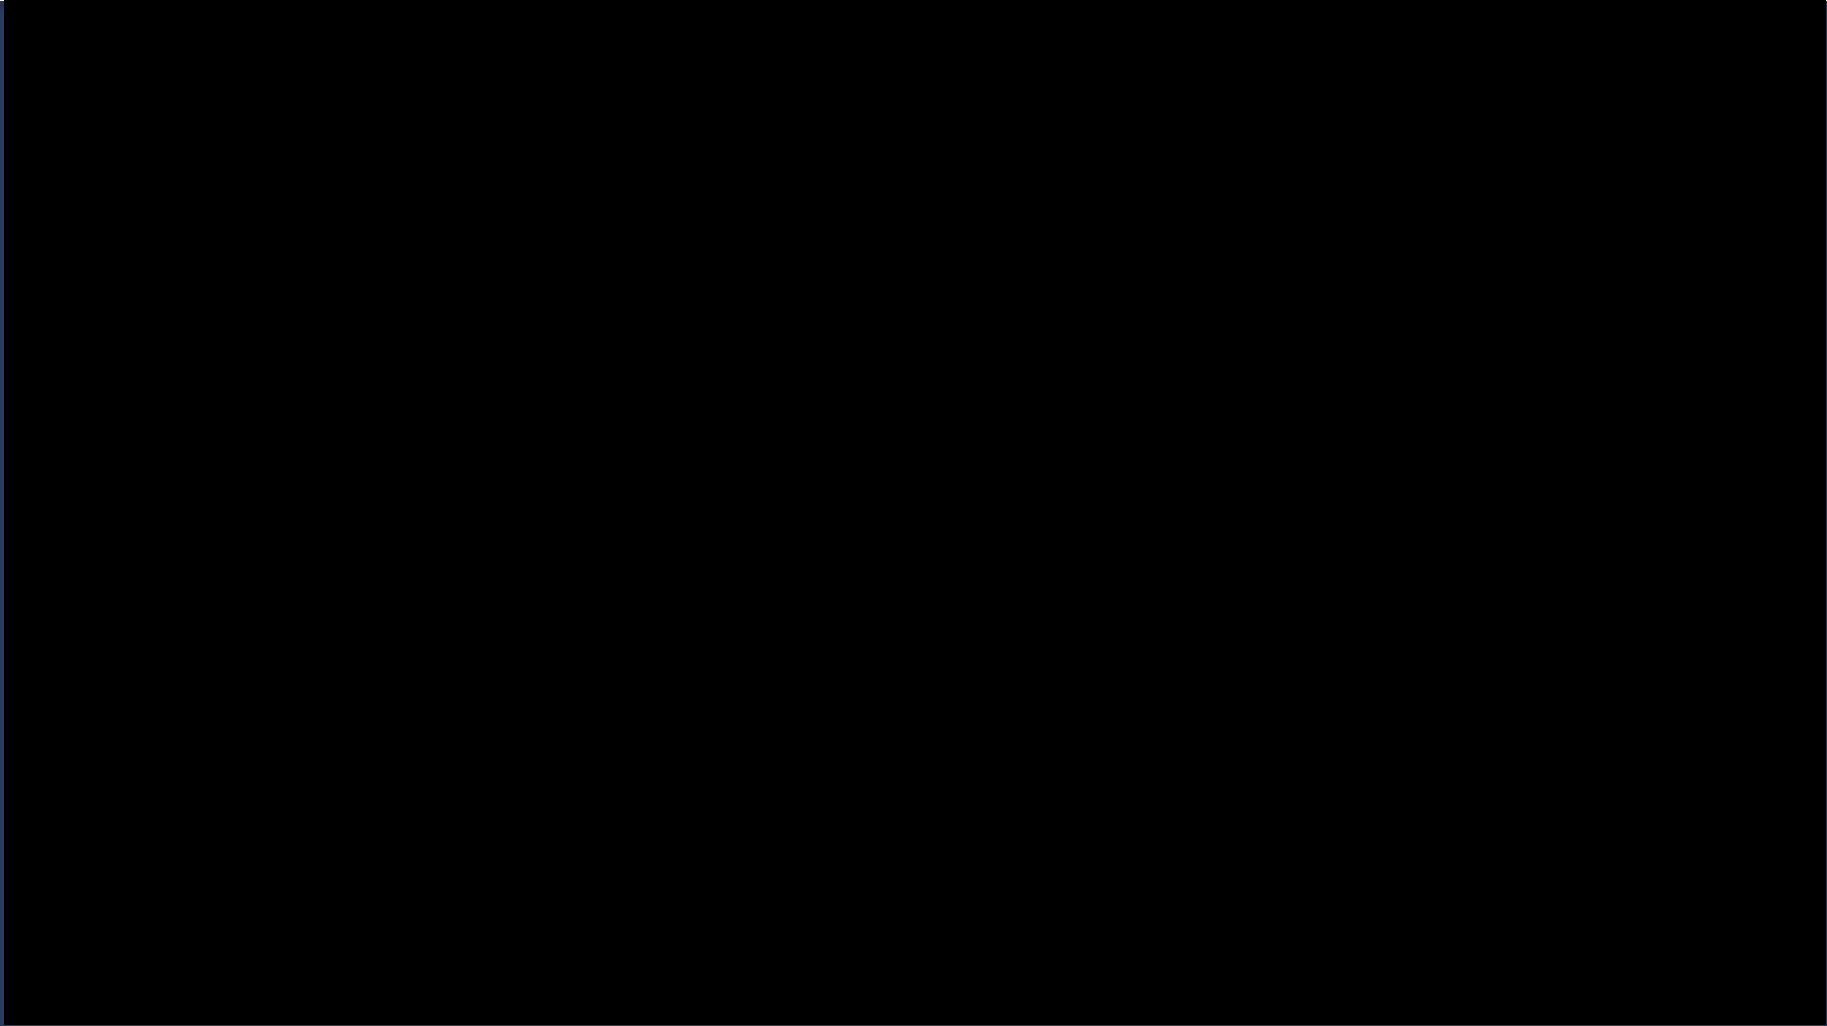

SAMFE Training Facility

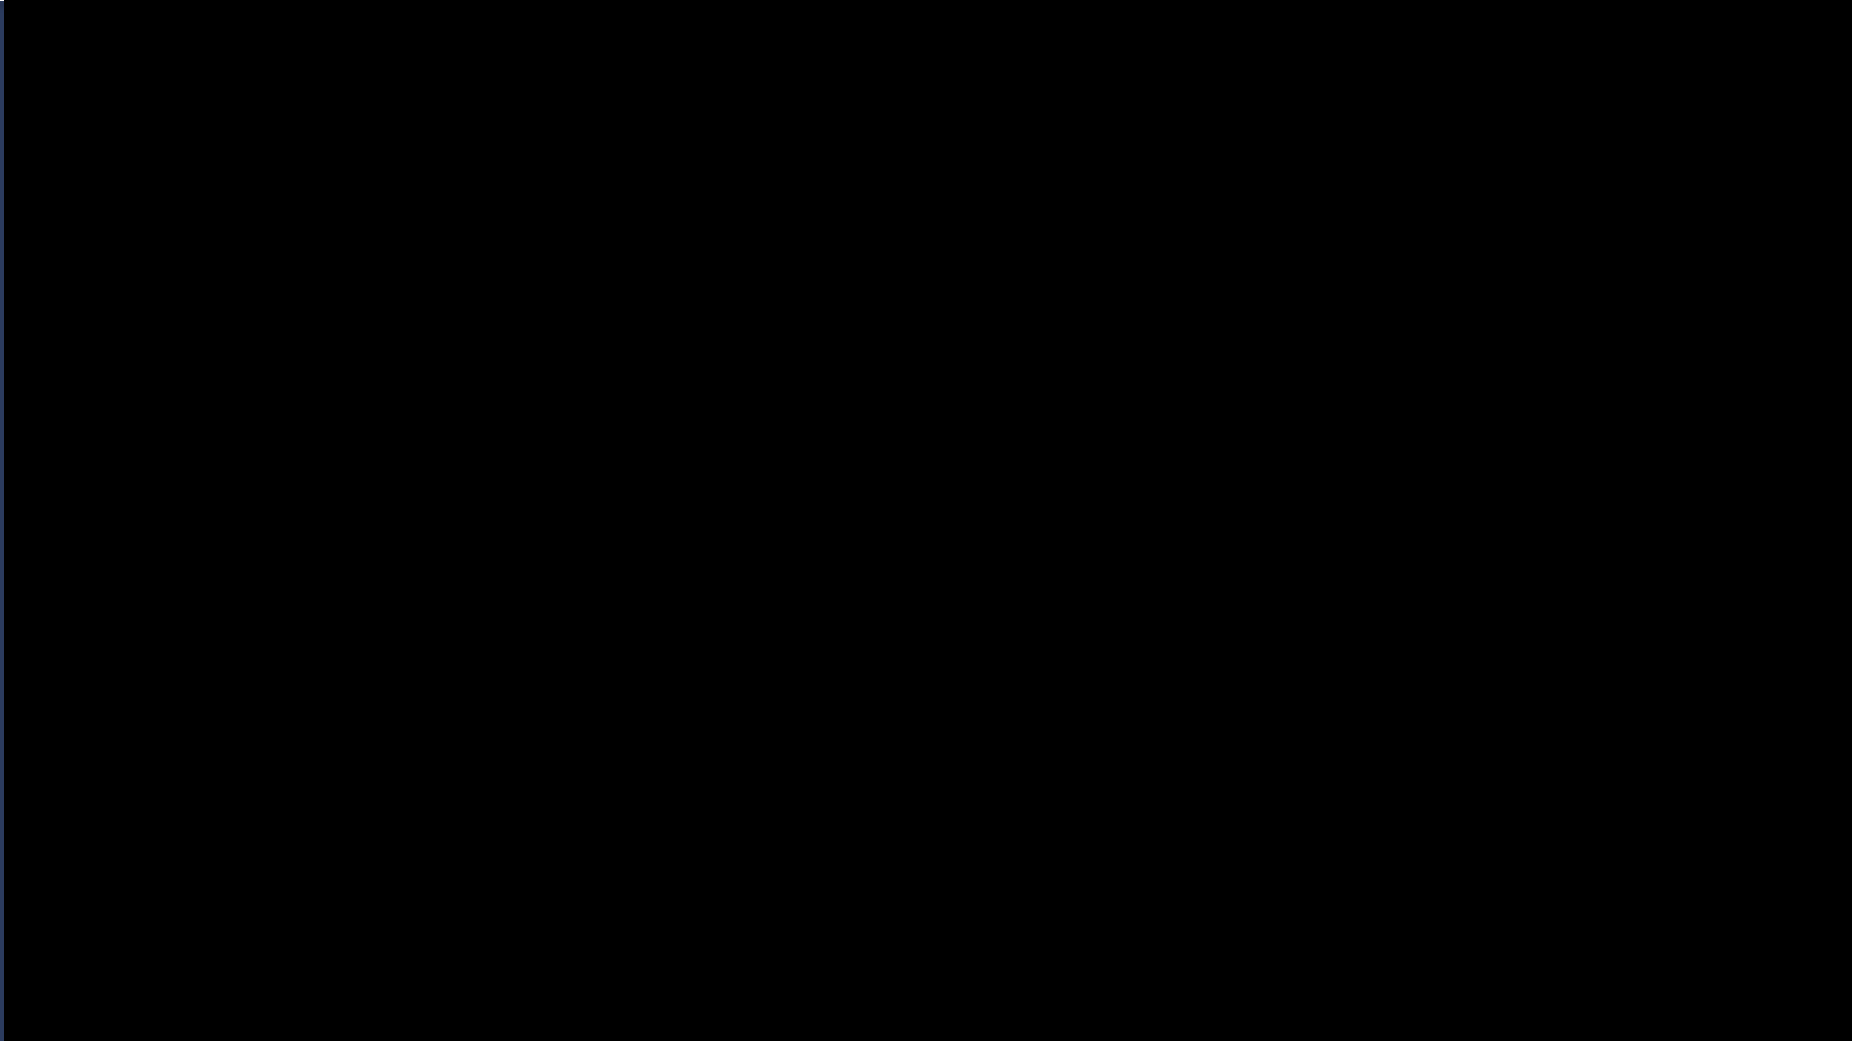

The Medical Forensic Exam

Crime Lab

Courtroom

Cultural Sensitivity and Room B

Ruth Nelson
75 year old nursing home resident

Jeremy Michaels
15 year old high school freshman

Clarisse Simmons
18 year old high school senior

Xavier Moreno
33 year old currently incarcerated

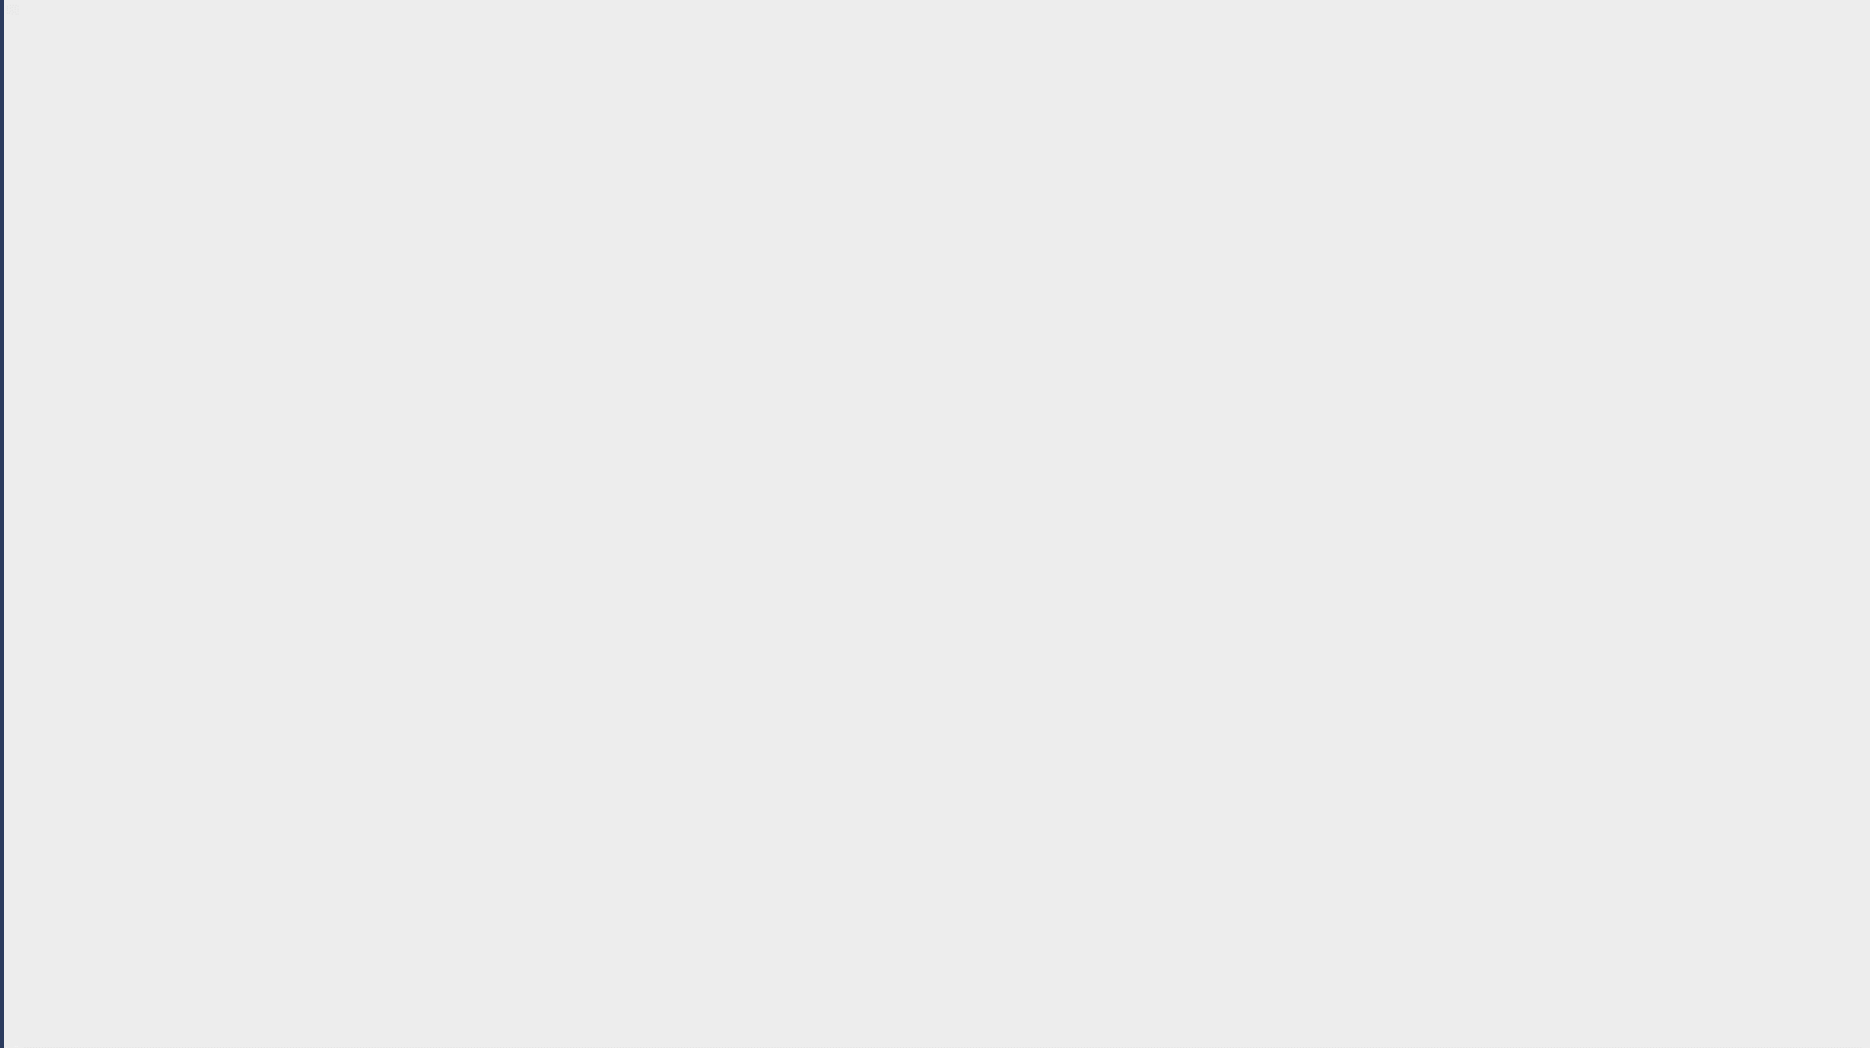

Jordan Matthews
28 year old transgender man

Jordan Mathews

- 28-year-old transgender man
- Sexually assaulted while on a date.
- Presented to an acute care center for medical care and forensic evidence collection.
- In the early stages of getting consent for the exam, Jordan becomes uncomfortable with the process, and the focus shifts from evidence collection to providing medical care and advocacy.

Best Practice: Pronouns

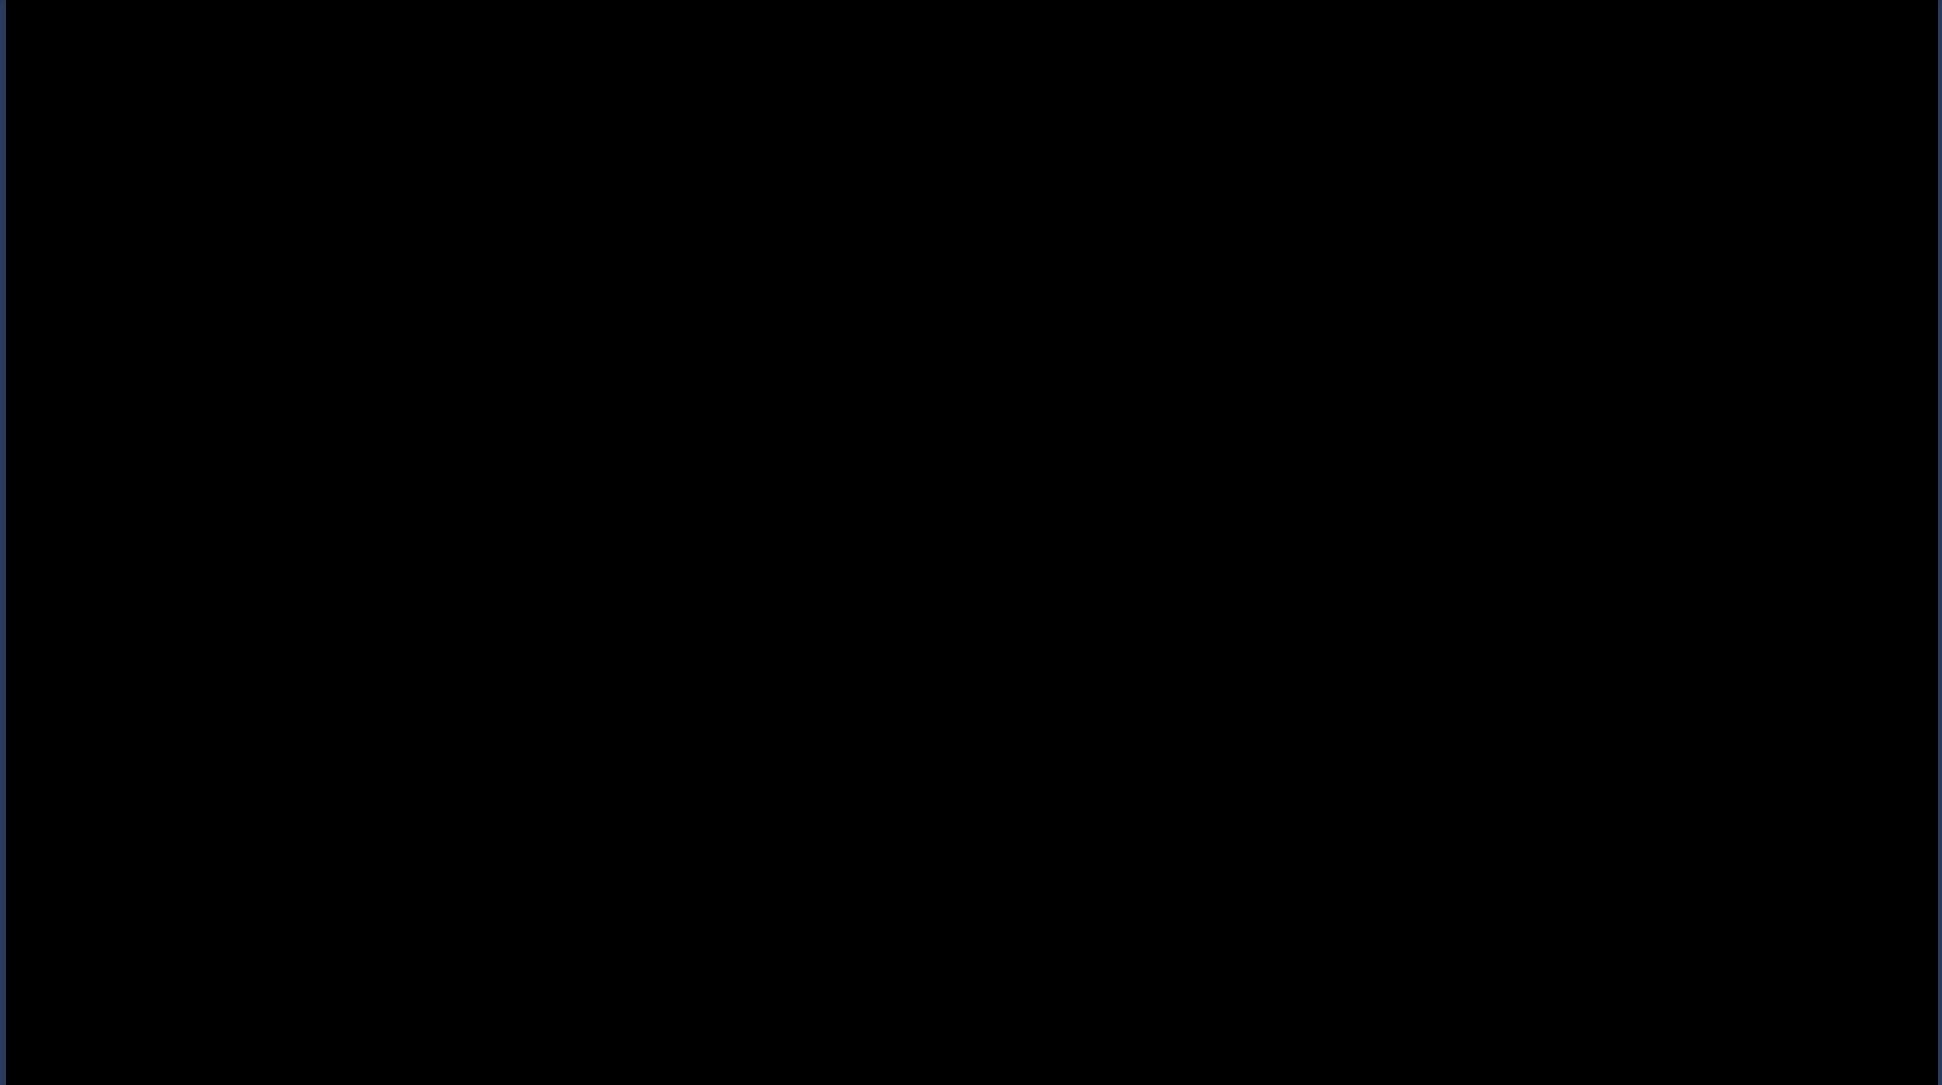

Pronouns Introduction Activity

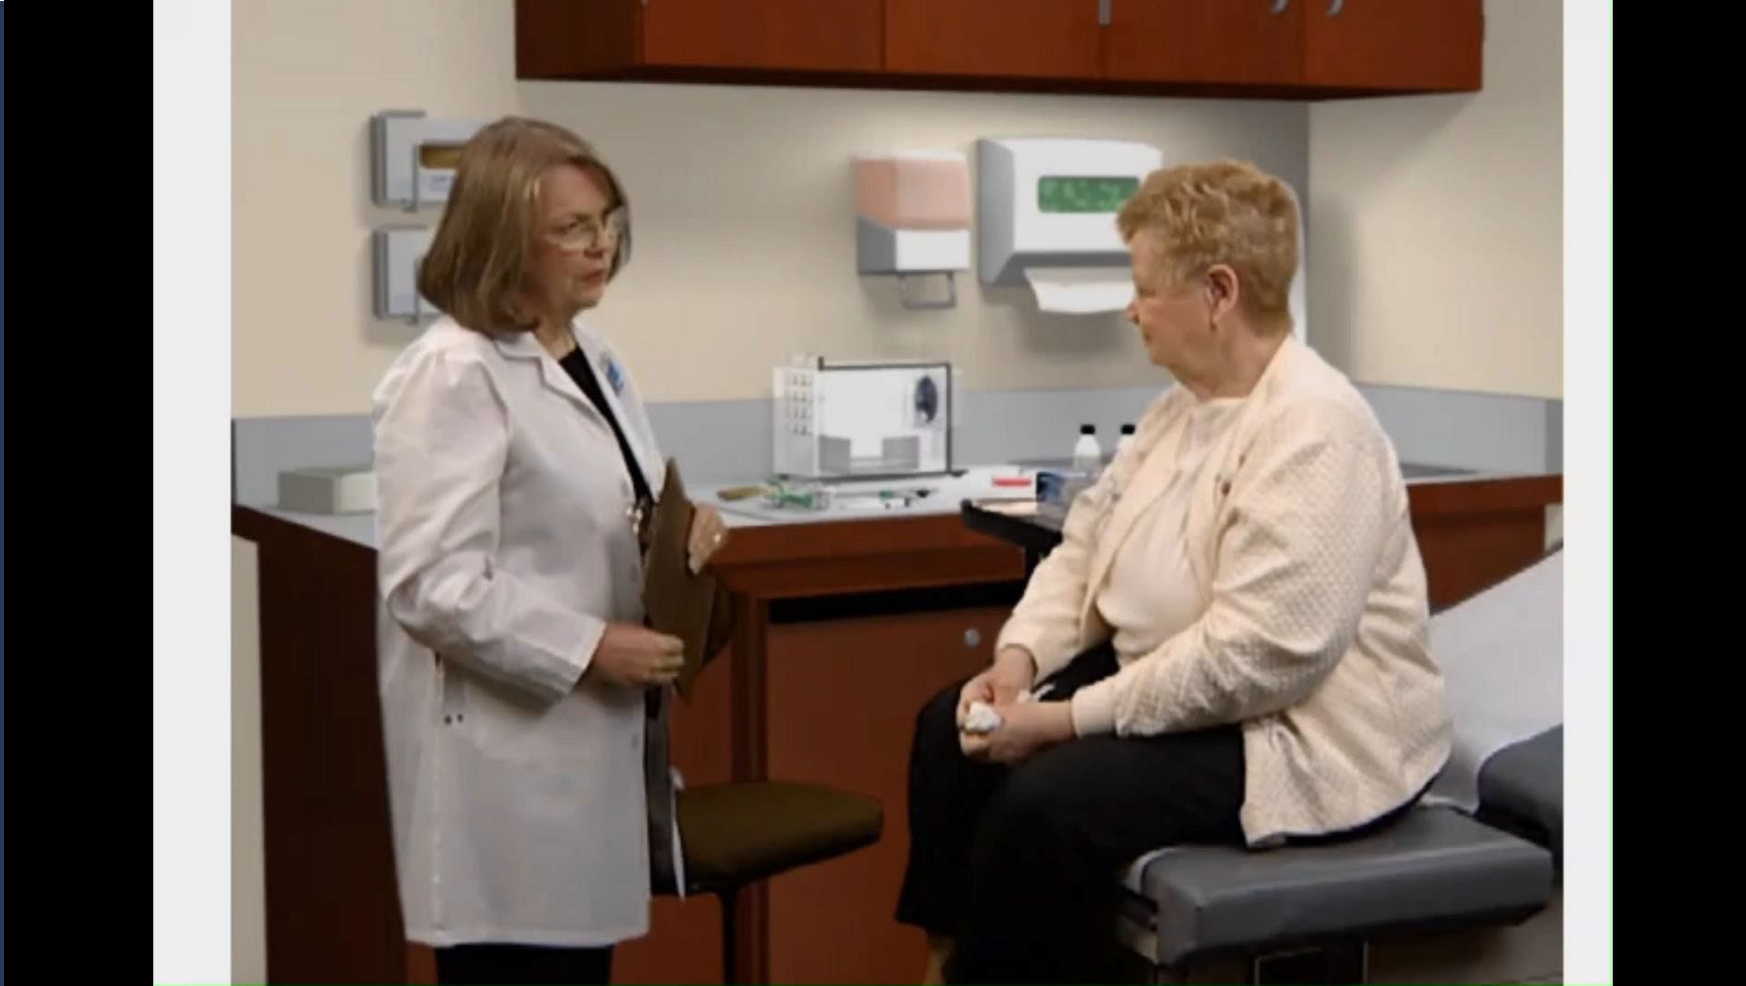

Introduce yourself to person next to you

- Share your name and pronouns
- Ask person what name/pronouns they use

Jordan: Pregnancy

Ruth: Assessing Capacity to Consent

Xavier: Options

Using the SAMFE Virtual Practicum with:

- New SANEs and non-SANE medical providers
- Volunteers and new staff
- Sexual assault response teams (SARTs) and multidisciplinary professionals
- Experienced SANEs
